

24 Hour Cancellation Policy

We appreciate that the vast majority of patients at Morley Chiropractic Clinic attend their appointments, or give us plenty of notice if they cannot attend. Missed appointments and late cancellations not only affect your own progress, but can also cause inconvenience for other patients who are desperate to see their Chiropractor, but couldn't get an appointment.

Currently the clinic is exceptionally busy and available appointments are very limited, with some patients having to wait in excess of a week.

Please give the clinic 24 hours notice, so that we can offer appointments to other patients.

We recognise that situations arise where it is not always possible. However, unfortunately due to a number of later cancellations or failures to attend of late, we have had to impose a mandatory late cancellation fee.

Late Cancellations or No Shows will be charged 50% of the clinic fee. We apologise for any inconvenience caused, but we would like to limit time wasted that could be used to help other patients who require urgent help.

We thank you for your values custom and continued support.
